

UPPER ARLEY C of E PRIMARY SCHOOL ADMISSIONS POLICY for 2020-2021

When there are more applications than places, in a Community or Voluntary Controlled school First/Primary, children are admitted in the following order of priority:

- i) Relevant *'Looked after' children
- ii) Siblings (see below for definition) of pupils attending the school **and** living within the **catchment** area of the school. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools.

In the event of a school catchment area change being approved, pupils who would still have a **sibling connection** (see below for definition) at the time of admission and who are living at the same address in the previous catchment area for a school, (but not within the revised catchment area), at the time the change was approved will be considered as living within the **catchment area**.
- iii) Pupils living within the **catchment** area of the school. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools;
- iv) Pupils living outside of the catchment area but who would still have a **sibling connection** (see below for definition) at school at the time of admission. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission;
- v) Children of staff at the mainstream school, where that member of staff has been employed for two or more years, and/or is recruited to fill a post for which there is a demonstrable skill shortage
- vi) Pupils who live **nearest** to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for the centre of the School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. ***(In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children's Services will supervise this process).***

In accordance with legislation, a child with a Statement of Special Educational Needs or an EHCP will be offered a place at the school named in the Statement or the plan.

*'Looked after' means all those currently accommodated by a Local Authority under the terms of the Children Act 1989 and children who were previously accommodated by a Local Authority but immediately after being looked after, became subject to an adoption, residence or special guardianship order.

Where there are too many applications from within the catchment area, priority will be decided in the following order, i.e. **sibling connection** then **children of staff** then according to **distance**, each assessed as indicated above.

The sibling connection, as well as brother and sister will **include half-siblings, adopted children, step-siblings** or a child of the parent/carers partner. They must also be living **at the same home address**. Children who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings. In the event that one or more but not all children from a multiple birth can be allocated a place(s), **all of the children from that multiple birth will be admitted** even if this takes the school over PAN. These children are exceptions to the Infant Class Size legislation. There are a number of additional limited exceptions

to the Infant Class Size legislation, including children of UK service personnel admitted outside the normal admissions round, children with statements of special educational needs, looked after children, children with special educational needs who are normally taught in a unit attached to the school, where a procedural error has occurred, children admitted following successful appeal and children admitted outside of the normal admissions round where no other place is available.

Late Applications

The Council has agreed in its co-ordinated scheme to accept late applications, for Community and Voluntary Controlled Schools within Worcestershire, within the time-frame set out in the scheme, and treat them as being on time, only in the following circumstances;

- a) where a family have just moved address, (refer to Information for Parents booklet);
- b) where it is agreed by the School Admissions, that individual circumstances apply and the delay was reasonable given the circumstances of the case;

In each case supporting documentary evidence will be required. **In all other circumstances, or if the application is not received until after the date set out in the scheme, late applications will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.**

Waiting Lists

Waiting lists for Community and Voluntary Controlled Schools, are maintained by the School Admissions Section, and parents need to apply, in order to be included. These waiting lists will be maintained until the end of the Autumn term (31st December 2020). At that stage parents will need to reapply at the start of the following term if they wish to be included. **Only on receipt of an acknowledgement letter from School Admissions will that child be on the list. Please see the Information for Parents Book for full details on how Waiting Lists are operated.**

Shared Catchment Areas

If there is more than one catchment area school and the number of applications for places from within the catchment area for one of those schools exceeds the number of places available, the allocation of places for the shared catchment area will be decided according to the following priorities, in the following sequence:

- i) pupils who would still have a **sibling connection** at the school at the time of admission;
- ii) children of staff at the mainstream school to which they apply, where that member of staff has been employed for two or more years, and/or is recruited to fill a post for which there is a demonstrable skill shortage;

- ii) pupils living **nearer** to the oversubscribed school than to the alternative school.

If places still exist after consideration of i) and ii) above, they will then be allocated to other pupils who live **nearest** to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for the School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. ***(In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children's Services will supervise this process).***"

Fair Access Protocol

As part of the **Worcestershire Fair Access Protocol**, all schools with Key Stage 2, 3 and 4 classes can be required to exceed the published admission number to admit pupils covered by the Protocol.

'In Year' transfer arrangements

The procedure for in-year admissions for Worcestershire residents is as follows;

1. The Authority provides a **common application form (CA1)** for parents to apply for a place at any mainstream school in **Worcestershire**. Once completed, this must be returned to the School Admissions Team.
2. In addition to the CA1 Form, some Voluntary Aided, Academy, Foundation or Free schools may require parents to fill in a supplementary form which may request information that allows them to apply their oversubscription criteria. If schools use a supplementary form these must be consulted on and published and also available from the Local Authority.
3. A supplementary form, where required, must be submitted with the CA1 form. It will not be regarded as a valid application unless the parent has also completed the CA1.
4. Applications from parents for schools outside Worcestershire should be made direct contact with the school or the local authority in whose area the school is located to find out how they process in-year applications.
5. Parents will be invited to state up to three preferences on the CA1 for schools in priority order and give reasons for those preferred schools. Preference order is not taken into account when applying admission criteria as the law requires all preferences to be treated equally.
6. Where a parent approaches a school directly the parent should be advised to complete a CA1 and return it to School Admissions.
- 7.

Parents or carers seeking to transfer to a school that does not involve a house move, or where there is no need for an immediate move, need to be aware that any date set for joining the new school may be after the next term or half term holiday and that parents/carers are responsible for ensuring their child continues to receive appropriate education in the interim.

Admission of Children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

The Local Authority must make the decision based on the circumstances of each case and in the best interests of the child concerned. The Local Authority will request the head teacher of the school to take account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it

were not for being born prematurely in order to reach a decision as to whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught outside of their chronological age group.

Parental Responsibility and what is considered to be the Home Address

In the case of Community and Voluntary Controlled schools, home is defined as the only or main permanent residential address, at the closing date for applications, where the child usually resides and which is the usual address of the parent/carer with main responsibility for the child.

Where parents/carers have shared responsibility, the child's home address will usually be considered to be that of the parent/carer with whom the child lives for the majority of the school week (eg three or more days out of five Monday to Friday during term time). Where care is split equally, parent/carers must provide independent supporting documentary evidence to prove that care is equally split. In such cases the address of the parent/carer in receipt of the Child Benefit will be the address on which the application will be processed.

Should more than one parent have parental responsibility for a child, both parents should be in agreement over the preferences expressed prior to the application being submitted. Where more than one parent submits an application for a child, or where there is a parent not in agreement with the preferences, the Local Authority may not be able to process any application until agreement over the preferences is reached. Failure to ensure agreement prior to submission, may result in a delay in any application being processed and in some instances, where agreement cannot be reached we may not be able to proceed until a legal resolution has been sought and the courts determine which parent can make the final decision on schooling.

When submitting your application, as part of the terms and conditions, you will be required to confirm that parents are in agreement with the preferences expressed, this will also apply if you wish to transfer in year. If it is subsequently determined that agreement was not made prior to the application being submitted, it could result in the withdrawal of the offer of a place, if it is determined that the information supplied was misleading or fraudulent.
